Dear Artist,

LVA wishes to thank you for making your tapes available for open access in our two day show on 30th June and 1st July '80 in the Acme Gallery, Covent Garden. We had a great response to our request, all the Artists who contacted us, save one, being happy to support the event.

Viewing on Monday was 45 persons with 22 Artists work shown;

Viewing on Tuesday was 72 persons with 18 Artists work shown.

The tapes were played at least once, some played up to four times.

This in fact exceeded our expectations and, as a large and varied selection of tapes were viewed and the interest was lively, we felt that the show was very positive and successful.

LVA is hoping to stage another such show in the near future, in this event however we hope to be able to pay the Artists the hire fee as normal.

Once again LVA thanks you for making this event possible and strengthening our and your case.

Apologies for this rather late acknowledgement, however LVA has been involved in moving its office over the summer months so that we are only now catching up with many things left unattended at that time. Also please note our new address above, though our phone number remains the same.

yours sincerely,

for LVA
