

DEVELOPING THE INDEPENDENT FILM AND VIDEO SECTOR - GREATER LONDON ARTS.

Dear friend,

As the second draft of the consultancy has now been made available, we have arranged a London Region meeting for the **29 June**, to discuss the report. In our last correspondence with Felicity Sparrow we were invited to respond in writing by the 17 July, and this will then be considered at the Joint Funders Strategy Meeting.

Although the funders have organised an open forum for the 7 July, it is only a three hour session in which to discuss a document of considerable length. It appears essential to meet beforehand, without the funders, to capitalise on this opportunity.

It would be useful if everyone could read the document in some detail, as we will need to focus our discussion fairly tightly if we are to achieve any concrete proposals by the end of the day. If you haven't yet received a copy of the draft then a call to GLAA should secure one, but failing that there is a copy available in our office which anyone is welcome to come in and photocopy.

The meeting has been arranged for **Wednesday 28th June** in room 3E from 10.00am - 5.00pm, at the **University of London Union, Malet St London WC1**. If you are unable to attend but would like to register opinions, then write to us at least a few days before the meeting. If there is anyone who would be interested in attending the meeting but has not received this letter then please invite them.

Hope to see you there,

Jane Caldwell
