Dear Audrey + Cawline -

Will we ever get things straight through the mails.

- Here's the signed contract. I've charged only one thing: I don't want anyone to have an internegative but me.

- By now you should have the print in London (via The Other Cinema). I've sent ~~a~~ a note off to the ♀ in New York explaining the fact she will have to carry the print to England.

- I sent you 2 stills. Your letter is unclear. Did you not get them or ~~if~~ do you need more?

- Please send copies of reviews to me. Thanks.
