Dear Jane,

I haven't heard from you about DAUGHTER RITE and the Fourth Channel and I'm concerned about what is happening. Was the print actually damaged or was it a misunderstanding of the film images? I'd like to clear this up as soon as possible.

Ruby Rich will be in London the first week of September visiting Sally Potter and I've asked her to contact you to find out what is happening.

Hope everything else is fine.

best-
