THE ARTS COUNCIL OF GREAT BRITAIN

Dear Liane cc Liz Sell, Finance dept

New Wave Women

I would very much appreciate a note from you which would tell me frankly whether this project still has a future. It is roughly a year since we set the condition that at least 8 bookings (of which 6 should be public venues), should be secured for the tour, and nearly two years since we first communicated about this project, and I have the feeling that if this basic condition has still not been met, it is now unlikely to be so.

I would like to suggest that we set a deadline of the beginning of September, and that if a tour hasn't been secured by then, we should formally withdraw our offer. This would allow us to reallocate funds to other worthwhile projects. I would be delighted to hear that a firm tour exists, but I hope you will understand my desire not to have money tied up unproductively.

Very best wishes
