25 November 1994

Dear Board Member

As I'm sure you know the date of the next Cinenova Board Meeting is set for Wednesday 30 November 1994 at 6.30. Please accept our apologies for the late arrival of the agenda and minutes from the last meeting; the work load has been immense lately and Kate has been away at the National Arts Fundraising School. A trip that was very worthwhile, but more of that later...

In addition to the minutes and agenda we have included some notes on the policy making discussions. Many of you have already indicated which working parties you would like to be on. If you have not, and cannot attend the next meeting, please drop us a line to let us know which working parties you would like to join.

See you next Wednesday.

Best wishes
