Dear *Circles*,

BFI BLACK AND ASIAN FILM AND VIDEO LIST: UPDATE

We are preparing to up-date the BAFVL which was first compiled in 1987 and is now obviously out of date. The List is being widely used by programmers and educationalists looking for this type of material and is intended as a specialist resource listing.

Enclosed are the titles we have in the List as being available from your company. If you would like us to continue to include the relevant titles you carry

- 1) Could you please let me know whether those listed are still in distribution and available from you.
- 2) Please send information (Title, Director, Production Company, Year, synopsis, running time, format etc.) of any similar new material which you have taken into distribution since 1987.

I would be grateful to receive your response within the next 10 days - ie. by 5 February.

Thankyou for your co-operation.

Yours sincerely
