descriptions of each for film Market

plus
PAGE DESCRIPTION ON CIRCLES.

Dear Jenny,

re: Circles attendance at the Feminale July 4-8 1990

Thank you for your letter and my apologies now for not getting back to you sooner. We are really looking forward to welcome you at the Feminale filmmarket this year.

The length of your programme should not be longer than 15 hours, at most 20 hours. The format we require for the filmmarket is VHS, what is also easier for you. Your proposal for programme, including work by Maya Deren and other early film-makers, seems to be a good one - but please don't forget recent films of contemporary womenfilm-makers. We would like to see a CIRCLEs-presentation being composed of about 40% early film-makers and 60% contemporary film-makers. When you have the programme compiled, please send a compilation-list to Cologne for the catalogue (as soon as possible!).

We hope this finds you all well. Look forward to hearing from you soon.

Best wishes,

Yours,

Astrid Heinrich
