Dear David,

Thank you for your very encouraging letter outlining the Artist's Film and Video Committee's response to our request for support.

We have had a verbal commitment from the BFI for a total of £38,000 worth of revenue funding for 92/93. As yet, although the end of the financial year is looming closer, we have nothing in writing, but we don't anticipate any problems with this, and as soon as we have written confirmation, we will copy this to you.

Liane and I intend to meet with the programmer within the next few weeks to thrash out the details you have requested. There should be no difficulty in meeting the June 12th deadline.

With best wishes

Gill Henderson
