Dear Irene,

Please find enclosed our Revised Budget 1988/89. My apologies for its lateness, but I have been having trouble fitting it in with my other job as well.

You will be pleased to know that we were successful at the Industrial Tribunal earlier today, and the claims of racism against us made by Behjat have been dropped. You can imagine what a relief it is to all of us, though it has involved us in a great deal of unnecessary (as it turned out!) expense.

Also we have a new administrator starting on a 6month contract next Monday, so things are beginning to look up.

Our revised budget does, of course, reflect the massive problems caused by Behjat's dismissal, but if there are any problems or queries Jenny will be able to deal with them.

Finally, WELL DONE on your promotion : it is much deserved.

All the best,

A handwritten signature in cursive script that reads 'Eileen'.
