Dear Michelle,

Thanks for your letter. I've asked around, and talked to Channel Four, but it seems that as regards tax you have got to talk to your own accountant. If it makes any difference the money will be paid to COW and then sent to you in the same way as royalties (which will be commingsson). As soon as you can let us have the official order I'll let you have the first installment of the money.

Best Wishes

Jane Root
