

11th July

Dear Alison,

Hope you had a nice holiday!

There was no walk-out at Friday's meeting because both Steve and Nigel felt that the constituency wouldn't know what exactly they were walking out about because they'd had no minutes or anything, and therefore it would be just us. It was a fairly hostile meeting (see notes) I daresay you'll be closely filled in by one or both of them.

The ~~ED~~ Drill Hall has no rooms big enough, so Saturday's meeting is at Cinema Action. (See letter) A couple of groups have called asking about it.

I worked 3 1/2 days. There's going to be another strike tomorrow, so I stayed for a whole day on Monday.

I'll see you soon to give you back the keys.

Sue

PS Tape recorder didn't work, but Sue Hall taped it too.
