Dear Jez

LIVE ART COMMISSION 1990/91

The Performance Art Advisory Group has now met and considered your application under the above scheme. It was agreed to recommend £7,425 to support your commissioning programme. You will receive a formal offer once the finance department have analyzed your budgets and when the departmental allocations for next year have finally been confirmed.

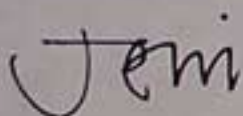

Meanwhile I would like to pass on two particular comments made about your application.

- 1) It was hoped that the educational potential of this programme could be fully developed in collaboration with the receiving galleries.
- 2) It was hoped that this application will represent the emergence of a long term commitment to live art within your programme.

Many thanks for your fax. I hope all goes well, and hope to see you in Cheltenham!

Best wishes

Yours sincerely

Jeni Walwin
