Dear Michael and Abina

Relocation to Hoxton Square

Further to your recent discussion with Chris Chandler I am writing to correct the unfortunate arithmetical error which crept into my letter dated 2nd March 1995, regarding financial support for the Co-op and LEA following relocation to Hoxton Square. The figure for anticipated rent should have read £63,300 (sixty three thousand three hundred pounds) out of a total budget of £85,000 (eighty five thousand pounds). All other conditions in the letter remain accurate.

Also following recent discussions, I am pleased to inform you that, of the money allocated to the Hoxton Square project within the Development Budget in 1995-96, the sum of £10,000 has provisionally been allocated for projects jointly agreed between the LEA and LFMC. These will, of course, need to be generally in support of the relocation project and each project will need to be notified to me and approved in writing, in addition to any prior discussion.

If you have any further enquiries, please do not hesitate to contact me.

Yours sincerely

Irene Whitehead
